

# Journal Club on "Concepts in Biocatalysis"

Room BK226, Linnanmaa

Time: 9.00 Coffee and pulla, 9.15 Presentation

March 28

Silke Grunau, Department of Biochemistry, University of Oulu  
"Pichia pastoris as a host for protein production"

April 18

Anbazhagan Padmanabhan, Department of Biochemistry, University of Oulu  
"Bioinformatical tools in protein research"

May 30

Rik Wierenga, Department of Biochemistry, University of Oulu  
"Structural studies for understanding of enzyme function: protein crystallographic  
research as a tool in molecular medicine projects"
