

# **Journal Club on "Concepts in Biocatalysis" Spring 2013**

Room BK226, Linnanmaa

Time: 9.00 Coffee and pulla, 9.15-10 Presentation

February 20

Dr. Helmut Pospiech, Department of Biochemistry, University of Oulu  
"Fluorescent protein reporters for the identification of protein domains and  
structurally stabilized protein"

March 20

Dr. Ari Tolonen, CEO & CSO, Admescope Oy  
"Admescope – Company presentation"

May 2

Time: 10-11

Prof. Tamo Fukamizo, Department of Advanced Bioscience, Kinki University, Japan  
"Structure, Mechanism, and Engineering of Family GH19 Chitinases from Plants"
