

Journal club on “Concepts in Biocatalysis”

November – December 2011 at 12:30-13:30

**University of Oulu, Department of Biochemistry,
Room BK226 2nd floor**

Coffee and pulla are provided

November 31

Mirja Krause, Technical University of Berlin

“Directed evolution drives the next generation of biocatalysts”

December 14

Silke Grunau, University of Oulu

“*Pichia* strains as a host for protein production ”
