

Journal Club on "Concepts in Biocatalysis" Autumn 2012

Room BK226, Linnanmaa

Time: 9.00 Coffee and pulla, 9.15-10 Presentation

October 17

Antti Vasala, Biosilta Oy

"How to make microbes to produce high yields of functional enzymes
applicable to biotransformation"

November 14

Lari Lehtiö, Department of Biochemistry, University of Oulu

"Structure-inspired drug discovery – virtual screening approaches"
